VASE HIRE FOR BOUQUETS

£600.00

When designing **bridal flowers**, it is important to carefully consider the overall aesthetic—from dress styles and silhouettes to colour palettes and personal preferences.

Bouquet shapes are chosen to complement the lines of each gown, ensuring balance and harmony, while buttonholes are tailored in scale and texture to suit lapel shapes and suit fabrics.

Colour schemes are thoughtfully echoed in each floral choice, and to ensure the best match, I always ask to see an image of the dress and suits along with requesting a tangible sample for colour reference — whether that's a fabric swatch, colour sample, or detailed palette guide. Every element is curated to feel intentional, polished, and deeply personal.

Suggestion – Bolt on a FLORAL & STYLING PACKAGE along with the PRINT PACKAGE to cover your flowers/decor & stationery to create a cohesive elegant look throughout.

01

SECURING YOUR DATE

We can hold a date for up to two weeks. Once we have sent you a quote after your initial meeting/email confirmation, a deposit is required to secure your date.

02

1 YEAR BEFORE

Should you require a mock up design, the ideal time to do this is 1 year before when your wedding flowers will be in season. It is your opportunity to discuss any changes you might like to make or to say "it's perfect!"

03

3 MONTHS BEFORE

3 Months before we have a meeting to finalise your ideas and draw up a confirmed plan of your day. We would require a piece of bridesmaid material (if necessary), so we have a reference to match your florals. We organise staff, logistic and materials moving forward from this meeting. We ask for minimal changes from this point as large installations such as staircase designs, urns and arches will be organised.

04

6 WEEKS BEFORE

6 Weeks before we have a final catch up meeting, this can be over the phone. We will confirm your final numbers of guest tables, buttonholes, bouquets etc. After this point we ask for no changes to be made as your orders will be placed.

05

FINAL BALANCE (ALSO 6 WEEKS BEFORE)

Once your final quotation has been sent, we require your final balance payment.

06

WEDDING DAY

Today's the day you can breathe easy — we've got everything covered. We'll arrive early to deliver and place your flowers with care, making sure every petal is just right. The following day, we'll return to collect any hire items, and if you've added our wrapping service, your flowers will be transformed into beautiful take-home bouquets for your friends and family to enjoy.

CLIENT LOVE

“We can't express enough how thrilled we were with our wedding day floral arrangements!”

“Michelle's expertise and passion was clear to see and we were able to discuss what we were looking for in depth. Jacaranda host a mock-up design meeting ahead of the wedding day which was so helpful. This thoughtful step allowed us to provide feedback and make adjustments, ensuring that the final floral designs were absolutely perfect for our big day. It made the entire process feel collaborative and stress-free. ”

- REBECCA

“Everyone was in awe of your work, but particularly the attention to detail you displayed!”

“Fran, the whole venue just comes to light with you working alongside Michelle. It was fairly hard for me to have any vision or creativity, as that's just not me as a person, but dealing with you throughout the whole process make it so bloody easy. Honestly, everyone kept saying to me, “Why aren't you stressed?”, and that reason is purely down to yourself. You put me at ease, you made me feel relaxed and you've made this whole journey for me. ”

- JESS & SIMON

“Oh my lord, we had the best day ever-thank you!! ”

“What can I say about this lady, she is absolutely phenomenal, from start to finish always on hand to help and share her advice. All our guests at our wedding commented how fantastic the room looked and this was down to Fran. She is an incredible woman and has an eye for making a wedding venue look fantastic. Thank you!! ”

- SIMON

“Wow! We were absolutely blown away!”

“We cannot thank Michelle enough for making our vision a reality, we loved our initial meeting with Michelle & mock up design, the whole process was stress free and exciting. Thank you for making our venue look so beautiful on our wedding day, we will treasure these memories forever. ”

- HOLLIE AND RYAN

“You genuinely make the best team. We can't say thank you enough - it was just breath taking!”

“Just wanted to say our heartfelt thanks for everything you both did to create the most magical wedding day. The venue looked incredible, we had so many comments on the decor and flowers. We already want to do it all over again!!! have absolutely loved working with you both to bring a vision to life over the past few years with planning our wedding. ”

- MEG & JACK

“So perfect and universally loved by us and our guests!”

“I wanted to send one last note to say thank you so so sooooo much for your hard work in the lead-up to the party. I'm not quite sure how we could have done it without you. The work you do is amazing, and I hope we got some good pictures of it that you can use to show your clients how amazing it is. Sending so much love! Thank you, thank you, thank you!! ”
