

HANBECK FARM

A romantic scene of a bride and groom embracing in a rustic barn. The groom is in a dark suit, and the bride is in a white lace wedding dress. Warm, glowing string lights are visible on the left side of the frame, creating a soft, intimate atmosphere. The background shows the wooden structure of the barn and other guests in the distance.

We are excited to introduce you to Hanbeck Farm, specialising in dreamy weddings, tailored completely around you. Offering couples abundance of options, from midweek to weekend wedding dates, based on flexibility or indulgence with 1-3 day hire options. We bring you an easily accessible yet wholly rural venue for your wedding. Both our main wedding barn and all our accommodation options are exquisite, styled thoughtfully with modern luxuries throughout.

We produce idyllic weddings set in our rural haven, putting love at the heart of everything we do. The village of Wilsford is home to St Mary's church, which is just round the corner.

We are also fully licensed to hold civil ceremonies or wedding blessings for couples who wish to get married on site at Hanbeck Farm.

Our wedding barn
is your blank
canvas to create
the wedding of
your dreams.

The wedding barn is incredibly versatile, blending the indoor and outdoor setting perfectly, enhanced by the bifold doors opening into a private courtyard, home to our fully licensed ceremony marquee.

A group of wedding guests, including men in tuxedos, women in black dresses, and children in white dresses, are celebrating outdoors. They are standing on a paved area in front of a stone building with a chimney. The scene is festive, with confetti falling around them. A semi-transparent white box is overlaid on the center of the image, containing text.

You can hold your wedding breakfast for numbers as low as 20, all the way up to 90 seated guests, with abundance of space for additional guests on the evening.

When it comes to catering we want you to choose and indulge in your favourite delights; from fine dining to sharing platters. We work with incredible catering teams. Our preferred caterer being Gourmazin (yet we can be flexible to accommodate you and your tastebuds).

The accommodation barns are accessed directly from the courtyard, catering for 22 people across 5 luxury self catering barns. Plus, we have an additional 2 shepherds huts and our very own wedding cottage in the village itself.

Each barn oozes charm, with every detail considered to make your stay luxurious and extra special.

We also boast home to a lake, romantic country gardens, and are surrounded by acres of farmland, free for you to roam, allowing your photographer opportunity to capture those perfect couple shots, even whilst watching the most idyllic sunsets.

Guests staying in our accommodation also have access to our private heated outdoor pool, spacious hot tub and terraces.

We have a separate beautiful bridal prep room ‘The Bridal Nook’ which is the ideal space for you and your bridal party to get ready on the morning of your wedding day.

As complimentary our couples are supported by [Amy Lauren Weddings](#) who works with you throughout your wedding planning journey, attending the day itself to ensure cordination and smooth running, allowing you and your guests to enjoy every minute.

We have options for both a one day hire package (which includes accommodation for the couple) Or, our popular 3 day weekend hire. Which provides you and your family with the ability to take full advantage of our venue . The weekend package invites you to arrive from 10.30am on the Friday, with departure on the Sunday at 11am.
