

HANBECK FARM

Weddings

Welcome.

A place where history is rooted softly in the walls, and every celebration becomes part of the story.

Hanbeck Farm Weddings is a family-run venue, lovingly cared for since 1847. Set amongst the Lincolnshire countryside, our Georgian stone barns and gardens create a setting that feels both timeless and deeply personal.

Here, weddings are not simply hosted - they are felt, shared, and remembered.

Our Story.

Set in the heart of Lincolnshire, Hanbeck Farm has been in our family for over 100 years, standing on the site of the old medieval village of Hanbeck.

Over the years, our beautiful stone barns sadly approached the point of no return. In order to preserve the history and celebrate the magnificent craftsmanship, the Georgian buildings have been lovingly restored to create Hanbeck Farm Weddings.

What better way to celebrate and share our love for the barns through weddings. A celebration of love and families.

Our love for the farm and English countryside is at the heart of everything we do. This love echos in the stories of those who have chosen Hanbeck Farm as their award-winning Wedding Venue.
